

Brooklyn July 23/91

To the director of the Mint.

Dr Sir! I would like to call your attention to the enclosed bag which I got from the Mechanics Bank Brooklyn with \$10 in Pennies, it is the poorest bag I ever saw and so small that they cannot <sup>be</sup> properly tied I spilled them all over the street in carrying. I send you this merely to draw your attention to them, perhaps they are being furnished inferior to the required kind &c
